Letter: PCHS Marching Band welcomes support of community as it begins new season

Thursday, August 22, 2019 12:46 AM

The Port Chester High School Marching Band Association would like to thank our villages for their continued support. We wish to give a big shout out to the Port Chester/Rye Brook communities for the overwhelming support given to the PCHS Marching Band every school year. This weekend, the morning of Sunday, Aug. 25, our

Aug. 25, our students will participate in the annual Booster Drive Fundraiser. Band members will take to the streets of our villages ringing doorbells asking for donations. This fundraiser is one of our many traditions. It gives the kids a chance to get out in the community in teams and almost compete to see who raises the most or covers the most ground. All donations collected go towards the various expenses incurred while keeping our program competitive throughout the year.

Also, our Annual Ad Journal Fundraiser is underway. This is a perfect way to support our outstanding music program by getting your business name in our journal. Families can also take out ads dedicated to their band students.

Please take some time out this Fall Season to watch our "Pride of Port Chester" PCHS Marching Band perform in-person at various locations including local practices, football games, parades, and competitions. This year's field show titled "Into the Arctic Blue" will premiere on the last evening of Band Camp at Crawford Park on Thursday, Aug. 29 at 6:30 p.m.

Please check out our website for upcoming band performance dates and fundraisers at www.portchesterhighschoolband.org.
